

**Sponsorship Opportunities for 2024 POW WOW 6<sup>th</sup> Annual  
Thunder in the Mountains  
October 12-13, 2024**

People always ask what is a Pow Wow? It is a celebration of the native culture, bringing people from several different tribes and cultures together to celebrate and pass on our culture to the next generations and educate the public.

The drum is the heartbeat of the pow wow, without the drum there would be no dance or song, the drum is our way to dance and pray to the creator. Each dance represents something different in native culture, from hunting to the butterfly.

All funds from each pow wow go to help us as a people to further educate the public about our culture and try to teach the wrongs of many of the myths seen on tv and movies to help us pass down our history and traditions to the next generation.

Thank you for considering a partnership with us for the 2024 Pow Wow!
